Lists are up in the hut if you want to enter the tournaments we are hosting, anyone not able to shoot the York/Hereford at the open, can shoot a Bristol round.

We need a work day sometime before our tournaments - targets to repair, some lines to put down & target centres to mark. Watch out on facebook, Team app, twitter for the date(s) and if you are able to help, we would be pleased to see you. Also if anybody is available on Friday 24 to help set the field up from 1pm, please come along.
