Gents 70/60m, Ladies 60/50m, Juniors according to age. Novices and members who are unable to shoot the longer distances can shoot the shorter rounds.

Soon we will be moving indoors so some important dates for your diary:

Tuesday 11 September	Start shooting indoors at Percy Hedley School at 6.30pm – 9.00pm
----------------------	--

Wednesday 19 September	Hadrian Leisure available every Wednesday for coaching 6.30pm – 9.00pm except when Beginners courses are running.
------------------------	---

Saturday 6 October	Start shooting at Churchill Community College 10.00am – 1.00pm  Please do not start setting the net, targets etc., up until 9.45am. Our booking does not officially start until 10.00am, if you arrive early, set your own equipment up but please wait until others arrive to help set everything else up. There is normally plenty of time at this venue after shooting the designated round to continue shooting, do some tuning, perhaps even get some coaching. We do have the hall until 1.00pm, let's use it.

Wednesday 10 October	Beginners course starts at Hadrian Leisure.

Grateful thanks to those who gave their time to help with our 2 tournaments in August. We were a bit thin on the ground so it was hard work but we managed. Congratulations to Jenny Cuthbertson who claimed a National record at the Open and no less than 9 at the Double FITA (WA 1440) Star weekend and to Matthew Foreman who also claimed a National Record at the Open and 5 at the Star!!! Quite a season they are both having. A mention too, for John Allen who, in spite of worse weather conditions on the Sunday of the Star weekend – managed to improve on his first day score by 155 points and in doing so won the Most Improved DNAA Archer trophy.
